23 June 2021

Dear Valued Client,

Spreading the pawprints of love and caring:

The Veterinary practise of which you are a client, belongs to a SAVA Mentor, which out of own free will, time and resources offer their support to young veterinarians during their Compulsory Community Service (CCS) year.

The introduction of CCS for veterinarians commenced in January 2016 by Government decree.

This requires of all newly qualified veterinary graduates in SA to perform one year of community service, similar to other medical professions.

CCS veterinarians are placed in the employment by the Department of Agriculture, Land Reform & Rural Development (DALRRD) in various national and provincial state veterinary services and in animal welfare services throughout South Africa.

Your kind assistance and support of a CCS Vet, will be much appreciated with donations of the following:

- Buster collar/ Elizabethan collar (still in good condition)
- Cotton wool
- Bandage material such as Crepe and Elastoplast
- Hibiscrub/Bioscrub
- Dog and Cat Food

In closing, a quotation from our *Credo*:

"To use our professional knowledge, skill and resources to protect and promote the health and welfare of animals and humans".

Your contribution will add generously to the health and welfare of our animals and the development of a next generation of Veterinarians.

Thanking you sincerely in anticipation.

Gert Steyn
Managing Director
